Restriction 1 ship per class per participant. This is preliminary and can be negotiated after we see total amount of ships.

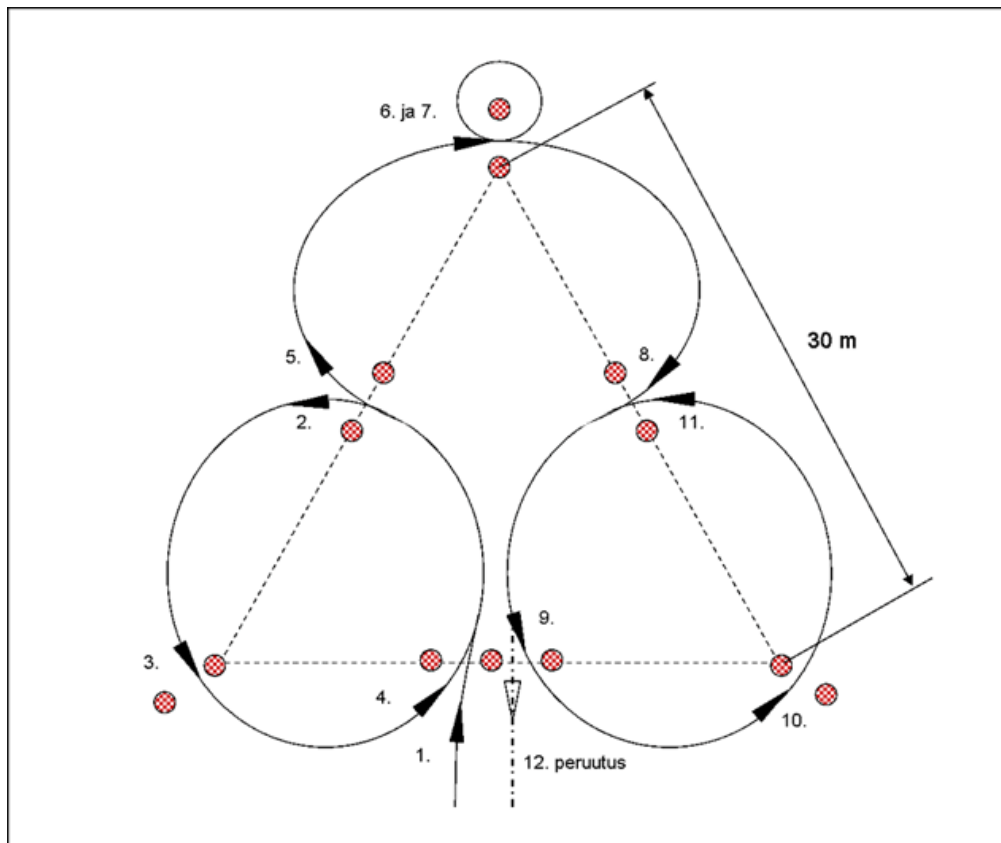

Frequencies Allowed 27MHz, 40Mhz, 2.4GHz

Rules F2+F4 rules of Naviga from 2016.

Of the 3 runs, final result will be an average of the 2 best runs, the worst run will be excluded from the final result.

Re-runs will only be done for the positions 1, 2 and 3. At the re-runs we sail first as usual on the course. If all have the same points we will sail it backwards. If a winner is still not found after that, competitors have to sail around the top-buoy by reversing until winner is found.

Course The Naviga-course with exception of port 1, which is doubled to have the possibility of more sailors on the course at the same time. Target is to always have 2 ships on course.

Judges The participating countries have to appoint judges for the construction evaluation, about 2 per nation for classes F2 and F4B.

Enrollment We have to receive the enrollment form by the 31st of May.

Ships info and participating for dinner are to be entered into form in Google Drive:
